EDUCATION

Bachelor of Technology (BTech) in Computer Science and Engineering

Current

Lovely Professional University | CGPA: 8.57

Higher Education

St. Xavier's College | Percentage: 80.4%

Matriculation

Lord Foster Academy | Percentage: 86.8%

PROJECTS

AlumConnect

August 2024

Comprehensive platform for Alumni Student interaction

Link: github.com/AlumConnect

- Created a **centralized platform** to interact with students and alumni using **Node.js/Python/JW** tokens for authentication
- Trained AI models to resolve website-related queries and job services through **web scraping**.

TechXpert

March 2024

Smart-learning Platform

Link: github.com/abhishek12219517/TechXpert

- Created an E-learning platform for students to learn and see their progress by giving quizzes also implemented video conferencing by **ZegoCloud** to resolve doubts.
- Providing the best online resources and an integrated Chatbot to resolve some doubts.

Saarthi

June 2024

Centralized platform for community engagement and local participation

Link: <https://lnkd.in/guAr7fyj>
